Subject: PESA - Region 6 GOM Permit [WARNING: SPF validation failed]

Isaac,

Thanks so much for the call this afternoon. I have also included on the e-mail John Candler, the chairman of our HSE Committee.

As requested, attached are the comments that PESA filed with Region 4 regarding their draft permit.

Per our discussion, we would appreciate the opportunity to have a conference call between your team and our HSE Committee to discuss both these comments and general thoughts regarding the NPDES permit. Either before or after that call we can prepare some information regarding the current Region 6 permit.

Our group is generally flexible with setting up conference calls, so we are happy to work within your schedule.

Regards,

Ryan
